

PRESS RELEASE

PETER CAPALDI IN CONVERSATION TO BE HELD AT THE CIVIC AUCKLAND FOR ONE NIGHT ONLY

Pre-sale tickets available from 2pm on 27th July

Tickets on general sale from 10am on 28th July

27th July, 2015: BBC Worldwide ANZ is pleased to announce that *Peter Capaldi in Conversation*, a special *Doctor Who* event, will be held at The Civic, Auckland for one night only on Tuesday November 24.

This will be the first time ever a current Doctor has visited New Zealand and, with a limited number of seats available, fans are advised to purchase their tickets early to avoid missing out.

In this special one-time-only event, hosted by Adam Spencer, Peter will reveal how he approaches the role of the Doctor, with footage and stories from behind the scenes of the world's longest running sci-fi television series.

He'll take questions from the audience and give them an insight into what life is like inside the TARDIS. As well as discussing the unique perspective he brings to the role of the Doctor – a style that is direct, humorous and increasingly vulnerable.

Peter will also share some of the adventures he's had both in his role as the Doctor and throughout his career.

Tickets start from \$89.00 and are available to purchase through [Ticketmaster](#)

Doctor Who Series 9 will premiere in New Zealand on Prime in September.

NOTES TO EDITORS

About BBC Worldwide Australia & New Zealand

Australia & New Zealand (ANZ) is a priority territory for BBC Worldwide, focusing on growth across all its core business areas. Based in Macquarie Park, Sydney, BBC Worldwide ANZ wholly owns six channels: BBC First, UKTV, BBC Knowledge and CBeebies in Australia; UKTV and BBC Knowledge in New Zealand; and is responsible for the distribution and promotion of BBC World News which transmits in both countries. BBC Worldwide ANZ distributes great British content from the BBC and other producers to all free-to-air and most subscription channels in Australia and New Zealand. It works with partners to bring BBC Worldwide DVDs, magazines, digital apps, innovative products and live events to the local market, as well as offering advertising opportunities for the BBC's world renowned bbc.com news site.
