

PRESS RELEASE

THIS IS NOT YOUR AVERAGE DRIVING GAME... IT'S *TOP GEAR* EXTREME PARKING

Destroy caravans whilst mastering the World Famous *Top Gear* Test Track in a brand new parking game.

Australia, 19th December 2014 – BBC Worldwide invites you to take on the challenge of the official, world famous *Top Gear* Test Track for the first time on smartphones and tablets. Prove you can master slaloms, test your precision driving skills around numerous obstacle courses, destroy some caravans and perfect your parallel parking in the latest *Top Gear* game. **Top Gear Extreme Parking** is co-produced with the masters of parking simulation games, Play With Friends and is free to download and available on the App Store, Google Play, Amazon and Windows

Top Gear Extreme Parking allows you to get behind the wheel of a selection of iconic cars from the TV show, including the Indestructible Pickup, the 'Reasonably Priced Car', Jezza's Italian 'Polizia' Coupe or James' 'Rozzers' Saloon. Once players have chosen their car, they can take on one of the many obstacle courses around the track with the aim of parking their vehicle in the highlighted space to complete the challenge in the quickest time. But crash once and it's game over and back to the start line!

A must for all *Top Gear* fans is the Destruction Mode in **Top Gear Extreme Parking** which lets you "accidentally" smash through Caravans, the Cool Wall and even the *Top Gear* Production Office. The more damage you cause in Destruction Mode, the more you score. Fans can also chase the legend that is The Stig in the hi-octane Racing Mode, or use all your skills for the ultimate extreme parking challenge and chauffeur the "Alfaab" or the ridiculously long Panda Limo in to some of the tightest spots.

Each of the vehicles in **Top Gear Extreme Parking** have been lovingly created for an authentic *Top Gear* experience, with finely tuned handling to work perfectly with touch-screens, HD Graphics, realistic physics and a blistering frame rate. **Top Gear Extreme Parking** enables you to get the most from your device whilst the Online Leader boards let you compare best times amongst your Friends and the rest of the World. Have you

got what it takes to become a driving god in **Top Gear Extreme Parking**?
